Extracts.	
Two Korms of Liberalism. From the Pall Mall Gazette.	
One of the ablast of our contemporal the full a ing charrention the other day in	ries made an article
on Mr. Grant Duff's speech at Elgin: - Mr. Lowe's Liberalism the Liberalism	of intel-
hectual indifference, the worship of mate perity: Mr. Gladatone's, the Liberalism sympathies and spiritual faith, and w	of popular
posed to think the latter the truer Liber the two." We have on other occasion	al type of
length our estimate of the emin at p bli ferred to in this observation, and we need	od not re-
turn to the subject; but the observation striking because it sate in a very ole contrast between two forms of Liberalisa	ar light n
present to many minds, and as to which uninten by no means agrees with that	nhich कर
forms, one is fairly enough described as	the "Li-
breaking of popular sympathies and Lith;" though we think it a decidedly he sire to call the other the "Liber dism of	and mea-
tual indifference and the warship of mate	rial pres .
forms of Liberalism; with each other, ar	e is done.
both by popular and even by educated a what is commonly regarded as the ab-	erner and
The element common to all farms of Li	berelism, n, is the
it is possible to make human life in ger ospecially that part of it which has most	o do with
pudities and marals, better, wiser, and hall respects than it is at present, us I the to do this is to diminish wherever it is po	the way
restroines imposed on them by laws and tions, to encourage the free play of their	institu-
friendlies, and to give opportunities of u- to ne large a number of porsons as passib	
is the common sim of Liberale in general said there are two ways of attaining to it the Liberalism of the intellect rights	
want of a better name can't be called Be	27
bus closest; and there is the Edwards	of santi-
recut, in which "popular sympathy and faith" predominate. This second view with the general principle that men ar	begine
whole, good, and that the instructs of large of popula	r svings-
thies land them to accept the vox populit; ritual faith emilies them to hear in it the The contrast between Mr. Love and Mr. C.	von Dei.
nots in a sufficiently impressive form the hatwan the two types of Liberalism; he as difficult to imagine Mr. Lowe we	contrast
(Hadstone's theolyical ap culations as to	imugine
Mr. Gladstone making Mr. Lowe's speed the principles of electoral reform. The organing enough, and is one which might	intraetia
sued to any length. But we wish to p in it is fundamentally fallacious, and that the	t out that i
on which it depends is one which is one doing a great deal of hum. The fallacy l	pable of les in the
assumption that the two types of Libera distinct systems, each consistent in its resting on its own base, and not expands	eif. B ch l
brought to any common measure. The	contrast sion, and
sentiment to a different and a higher at one; that there is in policies, as some peo- pose there is in religion, a spiritual tru	que elqe
sumal truth, which are actagonistic to en- that the spiritual ideal is the higher of	ch uther:
and the men who set it before them some better guides than the intellectualt	re ealer
If their views cannot by supported I To us this descrine appears fundamental works as mischievous as it is attractive. W	v untrue,
that in politics, as in all other subjects, one: that all propositions which can be en	trush is uncinted
build be embraced or related as they are also, and on no other account, that reas exclusive judge of the truth and falsohe	on ia the
ropositions withtoyer; and that feeling a neat supplies the matires which set the t	e senti-
notion, and part of the evidence on which indee: H are the true difference between	the two
ypes of Libershiam, seconding to our vis- nattor, in that they differ, not in the re-li- ter in which some people seem to empre-	- paner las
er in which some people soom to oppose ach other, but simply as all inconsistent liffer. To call Mr. Lowe an intellectual,	and Mr.
Hadstone's mural or sentimental, Libera saliton the one a man who eats his dinner	this like 's and the
other a m in who orders his dinner. There ordina between the two things. Each do not the same way each feels is pero issue, a	pes both.
minimum afternational remaining an heart analytical	and the second second

cuce between calculation and sentiment, If any (JES & Co. one doubts this let him specify any one proposi- tf 1723 Hongkong, 11th August, 1866. tion which any human being affirms without going through any surt of intellectual prosess, good or THE Property known as "ALVACE PLACE," All this may appear so . plain as to be hardly Wellington and Gaga Streets, and of two hundred worth mying; but plain as it is, it is quasimaally and twenty-nine feet on Aberdoon Street, and of two hundred and twenty-nine feet on Aberdoon Street, comply to that almost aniversal ignorance which unkappily provatis so extensively amongst us of the great fact that there really are such things as political as well as mathematical truths, and that the one can no mure he discovered by gueaswork, or be left undiscovered, or he neglected when discovered with impunity, than the others People continuelly write and speak as if the one thing medful for a pulitican was to, feel strong popular sympathies about 25,000 Picula holding capacity for one or to grant Insugance Policies against fire on brick. Shanglest and earnest faith in this or that, and as if there two. were something churlish and ignoble in close calculation and a rigid adherence to the principle of general utility. The man who wishes, or is suppassed to wish to give people votes because he loves and trusts them indiscriminately in oradited with spiritual faith. The man who counte closely and narrowly what the effect of such a measure would he is regarded as ould and worldly-minded. In fact, the difference between them is only a difference of degree. The one says, "I would give him a vote because I feel thus and thus towards him." The other says, "Cught I to give him a vote because I feel thus and thus towards him?" There | TWO Commodious Semi-detached DWELLIN are many people who appear to think that in all the important departments of buman inquiry the right thing is to feel very strongly and to argue rather slightly. A wise man, one, would think. would consider that the airs bestowed on his calculations ought to be exactly proportioned to the strongth of the feelings which set him calculating, Where the issue to be tried is momentous the trial ought to be as patient and caroful as possible.

THE EAST INDIA Association -It has frequently

refuse or knowingly neglect to introduce such a

and to draw from it some kind of inference. Ench

enloylator, each agenowledges the same rules of

calculation, and the only difference between the

two is that they take different views of facts, and

which they are likely to predace. Which of the two calculates bestianot the question. The impor-

tant point is that the difference between them is a

form different opinions as to the consequence

been remarked that whenever any important question concerning India is brought forward in the Hou e of Commons, it is regarded with so much and at present in the hoospetion of Mesers, indifference, that there is turnly a quorum of ELMENHURST and SANDER, members present, and the reason of this is that, with a few except ins, they are personnly ignorant of all that concerns India: At present there are many members of both flouses who are eager to sheain sufficient knowledge to enable the u to anderseand the various Indian questions that are from time to time brought before the flo as; they complain, however, that they connot ubtala that know. their own Bonts, and to receive the same on Storlodge without atbortous reading up of dry records, age in first ones GRANITE GODOWNS on MVD as ballast, the undermentioned Insurance blue books, or parliamentary returns; that they do not know where, or how, to get it readily, and that, therefore, they take no interest or part indebates on Indian questions which are only comprelicated by those few members of the House
who have been in India, or who make them their including suitable Office, Godowns and Compraapecial or official duty. To remindy this, several | dore's Rooms, at present occupied by the Undermembers of Parliament, members of the civil and signed. military services. European and native merchants. For further particulars apply to and other gentlemen more or less connected with or interessed in Indian afters, have formed an Association in Landon, called the East India Association. Its chief objects are to collect accurate ! India and Indian questions that may be before [1 rear of the House lately occupied by Mesars. Parliament; to attange, classify, conderso, and OLYPHART & Co. Apply to hold that information readdy scalable to those who may require it to strive to form public opini of and to advicate by every legitimute agency the interest and welfure of all classes of British sub-Tels in India. In order to carry but these ob. on the Praya, next to the Oriental Bank. For jects, it is proposed to hire rooms as near as pos-sible to the Houses of Paillament, where a pormanent committee will conduct the business of the association, and wh re memb is of Parliament can meet natives of india, or members of the secan meet natives of india, or members obtain an amount of special knowledge which can Godown sunsted, possession one be had on the against FIRE upon European Buildings and Company, are prepared to grant Policies against be so much more readily and easily acquired in 1s: October next. Rent \$110 per month.
